awaited. He has not stated in his  
proposals ~~where~~ as to who shd be treated  
as Reserve officers.

4)

In the meantime, the case of Mr Karve  
may perhaps be considered. He was  
taken to the Sanj dep<sup>t</sup> without his consent  
& his case was somehow omitted to be  
considered when Mr Masurkar was app<sup>d</sup>  
Sub: polim H.O. Mr Karve has been Super-  
seded for no fault of his & he has repeatedly  
represented <sup>this fact for the</sup> ~~repeatedly~~ consideration of Govt.  
(vide his letters 8.4.9.17 & 25.6.18).

5) Mr Karve was 9<sup>th</sup> in the list of A.S. : Surpous

whereas Mr Mascruhas was 17<sup>th</sup> in the  
said list. Again Mr Karve was taken  
to the San? dept on 7.11.1911 while Mr  
Mascruhas was <sup>appd to the H. dept two years after</sup> ~~at the H. dept~~  
viz: on 12.11.1913. On the face of these  
facts, it seems to be difficult to  
accept the San? Comr's recommenda-  
tion that Mr Mascruhas may be  
considered senior for purposes of  
future advancement.

The present opportunity may  
perhaps be taken to rectify the  
mistake, & to place Mr Karve  
above Mr Mascruhas. The former's  
contribution seems to be reasonable  
& the question may perhaps be  
solved by starting him on Re: 450.

7) The San<sup>y</sup> Cmr's proposals  
are put up in the form of a statement.

The points for orders are: —

(1) The exact pay to be given to

(2) <sup>Mr. Davis</sup> ~~initial pay in new scale to other officers.~~  
The question of pricing in  
rank as bet<sup>n</sup> Mr. Karve & Mr.

(3) The question of assigning a  
place to Mr. B. Krishna Rao  
among the D<sup>to</sup> San<sup>y</sup> Officers —  
perhaps on Rs: 360 + 40 P. A.  
till he reaches Rs: 400.

(4) The question of assigning a  
proper place to Mr. B. Subba  
Rao among the D<sup>to</sup> San<sup>y</sup> Officers;

(5) The question of sending back  
Mr. Fernandes to the Ind<sup>to</sup> Dept.,  
or of retaining him in the San<sup>y</sup> Dept.

(6) The question of excluding Mr.

San<sup>y</sup> Officers as he is given

8) 1. Pay to be given to Mr. Pani :--  
Mr. Pani has been in ~~the~~ service since March 1897 and his permanent place is Health Officer, Mysore City, but <sup>he</sup> has last <sup>acted</sup> ~~been acting~~ as Superintendent, Central Jail, and is now acting as Sanitary Commissioner. His present emoluments are Rs.400/- pay plus Rs. 200/- acting allowance. His confirmation as Sanitary Commissioner will have to be considered about a year hence, after some experience of his work. Till then he must be found a permanent place and his pay fixed in the grade of Health Officers, Rs. 400-30-700 under the revised scheme. I would suggest that his pay may be fixed at Rs.550/-. This will give him a salary of Rs.750/- as Officiating Sanitary Commissioner. When he is confirmed he will get Rs.1,000/- the full pay of the appointment.

9) (b) Initial pay in the new scale to other officers:--

X  
The appended statement gives information of the sanctioned scale; the proposals of the Sanitary Commissioner and columns 9 and 10 indicate my proposals for consideration. As stated therein Mr. Mascarenhas, Mr. Karve and Mr. Manker may be put into the grade of Rs.400 to 700 permanently and Mr. Manker may be given an initial pay of Rs.430 and the other two Officers Rs.400 each.

Mr. Karve and Mr. Mascarenhas. Representations from both of these officers are in the file. All points taken into consideration, I would submit that Mr. Karve should be treated as the senior officer.

W

3. Question of Mr. B. Krishna Rau :--

This officer was formerly in the grade of Health Officers and is drawing a pay of Rs.400 in the grade of Rs.250-50/2 -400. He was for sometime Health Officer in Mysore City and was subsequently posted as District Sanitary Officer, Kadur District. Recently his work has been unfavourably noticed by the Dewan during his inspection of the District. He is over 52 years old and I do not think he is fitted for very heavy work. He may be put in the class of District Sanitary Officers in the grade of Rs.150-15-360 and may be allowed to retain his present emoluments as a special case.

ly

4. Question of assigning a proper place to Mr. R. Subba Rau:--

Mr. R. Subba Rau may be treated as one of the reserve officers in the grade of Rs.150 to 360 with an initial pay of Rs.300/- and may be put to act in the grade of Health Officers on Rs. 400 to 700 vice Mr. Pani. He may be posted as Health Officer, Bangalore City.

Serial  
No.

5. Case of Mr. Fernandes:--

(13)  
This officer may be sent back to the Medical Department, a properly qualified District Sanitary Officer being taken in his place. The Senior Surgeon is prepared to take him to the Medical Department.

(14)  
6. Question of Mr. Iswaramurti. (Supdt Vaccine Institute)  
Mr. Iswaramurti has been appointed to one of the two temporary appointments sanctioned last year pending the re-organisation of the department and he has been placed in charge of the Vaccine Institute. He may be absorbed in one of the place of District Sanitary Officer under the revision scheme. He has put in 7 months service on Rs.150/- in the grade of Rs.150-10-250; he may be started on Rs.165/- in the new grade.

(15)  
7. Another point that deserves consideration is the question of making satisfactory arrangements for Medico-Legal work in the Public Health Laboratory. Mr. Manker who is now Chemical Examiner to Government is also Assistant to the Sanitary Commissioner and has a certain amount of Public Health work to do in addition to his duties as Chemical Examiner. If the work of the Chemical Examiner is sufficiently heavy so as to occupy the full time of an

officer

San File No. 93

of 1918.

Serial  
No.

officer Mr. Manker may be solely employed on that work and another Assistant posted to the Laboratory for sanitary work. This will mean the creation of another appointment. Properly speaking the Chemical Examiner's appointment is not a necessary adjunct of the Sanitary Department and expenditure on that appointment should properly borne by the Judicial or Police budget. There are some inconveniences in the Chemical Examiner working in the Public Health Laboratory which has got the necessary equipment. If he is to be entirely independent a new ~~office~~ <sup>laboratory</sup> will have to be built and equipped.

These matters are submitted for orders. The case may be considered at a meeting of Council, The Financial Secretary being consulted after the Member records his views.

17/ he first point to be considered in his place. We decided to Mr. Manker in the case of Sanitary work under his responsibility. Mr. Manker has been acting as Sanitary Officer since January last in place of Dr. Manker who has retired. Mr. Manker

is a permanent one and the same is suitable  
benefit from him. If however it is considered  
that his work should be tested for some time  
more, then I think he may be placed in  
the grade of Health Officer and suggested by  
the Chief Secretary, i.e. he must get his  
or his maximum  
full pay of his grade. It is no surprise that  
at his time of his appointment he was  
getting a pay of Rs 400 + 100 and that  
therefore he should be satisfied with a  
substantive pay of Rs 550 as suggested by  
the Chief Secretary. To place him in that  
pay is to be done in <sup>his</sup> and his work. I would  
therefore give him Rs 550 a month the maximum  
pay of his Health Officer grade —

(18) There are 4 appointments in the grade of Health  
Officers — Mr. Pannikam is appointed to  
act as District Surgeon, there will be  
3 permanent & 1 acting vacancies in  
that grade. At present, the officers  
who are getting Rs 400 & in the District  
deputy besides Mr. Pannikam are Mr. M. S. S. S.  
& Mr. B. S. S. S. — Mr. M. S. S. S. may  
be put into the grade of Health Officer & be  
placed in the pay of his Health Officer.  
He may be started in Rs 450 as he is getting  
a local allowance of Rs 50 which may

24) As regards (1) The grant of pay in the revised scale in excess of the initial pay rules is open to financial objection, except in cases when the grant of a Personal allowance is justifiable

(vide Article 81 Mysore Service Regulations.)

(a) If Mr. Pani as holder of the office of Sanitary Commissioner deserves a higher emolument than 600 rupees (400 + Ag. Allowance 200), the financially unobjectionable course would be to treat him as Sub-protem in that office. As, however, the proposed arrangement gives him only 900, it may be sanctioned if Government think desirable.

36) (b) In view of the absorption of the local allowance no financial objection to Mr. <sup>Maniker's</sup> ~~Maniker's~~ pay being fixed at 460.

37) (c) The grant of a personal allowance of Rs.20 to Mr. Karve is open to financial objection. Initial pay may be fixed at 430, the carriage allowance of Rs.50/- being absorbed.

38) As regards (2) No financial objection.

The Officer has put in 7 months in the Old grade.

As regards (3) The proposals of the Administrative Department are not very clear. Presumably they are to continue.

3. The matter was again considered in Council and it has been resolved that under the circumstances explained above one of the appointments of Health Officers be left vacant for the present and Dr. Fernandez retained in the Public Health Department against this vacancy with the grade of a District Sanitary Officer. With this modification of their previous resolution the recommendations of the Council in regard to the pay and allowances of the several officers of the Department stand as shown in the statement appended to

the extract from the Council Proceedings dated the 11th July 1919 herewith submitted.

4. It will be observed that the Superintendent of the Vaccine Institute who is now in the grade of Rs.150-10-250 has for the sake of administrative convenience been proposed to be ranked with District Sanitary Officers on Rs.150-15-360. I have also to add that it is not intended now to interfere with the local malnad allowances which the District Sanitary officers of Shimoga, Hassan and Kadur are at present drawing, as the continuance or otherwise of these allowances will come up for consideration separately in connection with my proposals for improving the organization and working of the Malnad Improvement Scheme.

5. The recommendations of the Council may be approved.

## - Remarks -

If increment is sanctioned The continuance of local allowance of Rs 50/- is to be considered. Latest records fair. Work as H.O Mysore City not satisfactory; Censured for having allowed misappropriation of large sum of money in the office. As Dist Sanitary Officer Kolar Dist, the Sanitary Commission had occasion to call attention to want of zeal and perfunctoriness of work connected with epidemic disease prevention.

He will start on the minimum in the higher grade for persons vide recent Confidential D.O from the Chief Secretary to the Govt.

He is Sub. Public Health Officer, he may be confirmed. Has done satisfactory

work this work is appreciated by the Chief Med. Officer of the Mines. Possesses extra diploma of Tropical Medicine.

Mr. Kervae has been drawing his gross pay of the Medical Dept viz Rs 300/- While Mr. Mascarenhas holds a definite status in the Public Health Dept as Sub. Public H.O. on grounds also of total Service of 18 years against 7 yrs & 5 months & the present pay actually drawn viz Rs 350. Mr. Mascarenhas has to be considered as senior to Mr. Kervae for purposes of future advancement.

Vide also civil list regarding their relative positions.

Records of both are good.

Reported to be a very good administrative officer & above the average but which sobriety is open to doubt.

This increment is proposed to bring the grade further & two officers with similar British Qualifications have started on Rs 250/- & attained Rs 300/- in three years. He promises to be a capable officer.

Small increment is proposed to bring the grade. Report not favorable & is weak in capacity for work. Does not possess a special Public Health diploma, nor does he possess a high medical diploma.

He is reported to be not sufficiently zealous & energetic. A warning has been conveyed recently as desired by the Govt. Two increments are recommended as present pay is too low for an officer in charge of a District Work Satisfactory. Has been selected for foreign training. Two increments are recommended as present pay is too low for an officer in charge of a Dist.

Considering his pay & qualifications & the charge he holds is recommended one increment.

Has no Public Health qualification but has practical experience. Reported to be a good officer. To be considered later.

Dated 12-4-1919.

Sir,

I beg to be excused for the liberty I have taken in making this second representation regarding my claims to be placed above Dr. J.V. Karve in the reorganization of the Public Health Department.

I submitted my reasons for claiming a place above Mr. Karve in my letter No. 491 dated 16-1-19 and I recapitulate them below for purposes of ready reference.

(1) My professional qualifications acquired both in India and England are equal if not superior to those of Mr. Karve's. I beg to state in this connection that I went to England while in the Medical Department at considerable personal sacrifice to obtain the Diploma in Tropical Medicine of Liverpool University and Diploma in Public Health of the Royal Colleges of Surgeons and Physicians of London.

(2) I am older in years and senior by 10 years in Government Service than Dr. Karve.

(3) My name is borne in the Civil list in the Public Health Department as Sub Protom and I had a right to be confirmed in a substantive vacancy from 24-4-17 when Mr. Palpu was transferred to the Medical Stores and I ought not to suffer for the omission for which I was in no way responsible.

(4) As Health Officer I have earned 2 increments while Mr. Karve has earned only one.

45/

(5) Since October 1915, I have been drawing a higher salary than Mr. Karve.

If my present pay is taken into consideration my claims to be above Mr. Karve are unquestionable. If it is thought necessary to go to an anterior period when in the Medical Department Mr. Karve was above me and drawing at one time a higher pay than myself, I beg to submit two points in my favour. (1) After Mr. Karve's appointment had been made it was distinctly stated in Government Order No. 3729-9 Med. 171-10-2 dated 26-11-1912 that the said appointments "would in no way bar the promotions of the officers already in service who now rank below them" - The higher pay than that of Mr. Karve which I am drawing for the past 3½ years is in accordance with the spirit of the Govt. Order quoted above.

(2) Precedents in cases of this kind are also in my favour. To quote only one instance - Though Mr. Mylvaganam was appointed on Rs 400/ while Mr. C.A. Nanjappa was an Assistant Surgeon on Rs 300/ and while Mr. Mylvaganam had drawn Rs 600/ for more than 2 years and Mr. C.A. Nanjappa had not yet reached maximum grade of Rs 600/ the claims of the latter in point of length of service, total emoluments and satisfactory work, were not superseded in favour of the former.

I respectfully submit that I have given complete satisfaction to my superiors in my work and I beg to request you to be good enough to strongly recommend my case to the Government and secure to me that justice to which I am entitled.

I beg to remain

Sir

Your most obedient servant

*In the L.D.  
Complains to H.  
Dear Sir,  
any time, any  
information, for*

I have the honor to state that in September 1917  
and again in February and May 1918 I submitted applications  
setting forth certain representations and praying for their  
consideration by Government.

At the time I submitted those applications I was  
not aware of the scheme of the re-organisation of the  
medical department which has since been re-organised with  
effect from the 1st January 1918.

According to the latest Civil List I find my name  
has been omitted from the medical list; but I was given to  
understand that my case would be considered in connection  
with the re-organisation of the Public Health Department  
which I learn is now imminent.

Lest my claims be overlooked I beg to submit the  
following points for favour of consideration.

*3.9  
has been represented  
by me in my  
previous reply.

Is this so?  
yes.

(i) Three officers of the medical department junior to me - Messrs. S.Subba Rao, B.G.Sreenivasacharya and B.K.Narayana Rao - have been appointed Surgeons on Rs:400/- with effect from 1st January 1918 and one of them Mr. S.Subba Rao, is very likely to get his Rs: 450/- from last month. Had I not been removed from that department about which I had no option whatever, I would have been getting Rs: 400/- from 1st January 1918 and drawing Rs: 450/- now.

(ii) For the last several years I have also been handicapped, with prohibition of private practice, being lent to the Sanitary Department. For this prohibition no compensation whatever was granted.

(iii) Several gentlemen, with European qualifications in other departments, though they entered service much later than myself, have received much better consideration than myself.

5. In the Civil List Mr.J.V.Mascarrenhas of Kolar Gold Fields is shown as senior to me, for the chance of being a Health Officer of that locality which carries a salary of Rs: 350 plus 100 plus 50 plus 40 or Rs: 540/-. But Mr.Mascarrenhas's rank has always been seven places below mine in the medical department and he was taken to the sanitary department on 3rd October 1913, long after I was posted to it which was on 10th August 1912. Yet the Civil List would make it appear as if I were junior to him in the sanitary department.

6. To make our relative positions clear, I herewith append a tabular statement showing our relative rank, pay and allowances etc., since I entered service in May 1911.

50.47

From a perusal of this statement, it will be seen that my substantive rank has always been higher than that of Mr. Mascarrenhas. In this connection I may state that though I was in the sanitary department when Mr. Mascarrenhas entered it in October 1913 as Sub-Pro-Tem Health Officer Kolar Gold Fields, it did not strike me that any claims of mine would be overlooked by Government, simply because such temporary arrangements are usually made with reference to the convenience of the moment and exigencies of Public Service. It was only when I found, in 1917, that Mr. Mascarrenhas actually commenced to draw a higher pay than myself in the Sanitary department and his name was also shown above me in the sanitary list, that I began to entertain doubts and then I submitted my representations to Government in September 1917, for which I have not been yet favoured with any reply.

7. In consideration of the foregoing facts I solicit,

- (a) that in the Public Health Re-organisation, I may be granted a pay of not less than Rs: 450/- which I would have now got, had my name been retained in the medical department,
- (b) that my increment be given effect to from 1st January 1918, the date on which the medical Re-organisation scheme has taken effect with reference to my juniors
- (c) that my relative rank with reference to Mr. Mascarrenhas be restored, my name being placed above his.

I have the honor to be,

Sir,

Your most obedient servant,

*J. Karve*

Health Officer.

Mr. J.V.Karve.
